Dear Bowhaven Team,

As a local GP practice with many patients who are supported by Bowhaven we wanted to take this opportunity of conveying how much we value having Bowhaven as a partner organization supporting our patients with Mental Health Needs.

The support Bowhaven gives our patients is extremely important, the feedback we get from patients who visit Bowhaven is always very positive and supportive. We are extremely grateful as clinicians to have the option of directing our patients to a local organization such as Bowhaven. We feel the support and assistance this organization provides should not be underestimated or undervalued.

We as one of the local GP practices have no hesitation in supporting the ongoing work of Bowhaven.

Yours sincerely,

Dr Rachel Bower,
Lead GP for Mental Health at St Stephens Health Centre on behalf of all the GP partners
